A MISSION

TOP SECRET

THE SERIES

5 young, beautiful women...They have a secret that no one would ever suspect.

They are part of a special unit named "K."

They were chosen amongst the most skilled fighters and trained in the most efficient combat techniques.

A physical force to be reckoned with, these women also possess the utmost knowledge in advanced technologies. They are called to action when every other solution has failed.

When the 5 are united, their special high-tech suits make them invisible for a brief amount of time.

Together, they form the UNIT "K"

K

KAMELEONS

LOLA

Age : 28

Strengths: Dynamic, clever, audacious

Weaknesses: Authoritarian, stubborn, uneasy

Her Forte : Unstoppable coordination, a veritable thinker

Her combat training: Kick-Boxing and Muay Thai

Secret Identity: Personal trainer

With a muscular build and impressive sports training enough to make even the most athletic boxer jealous, Lola runs a gym where intensive classes remain popular despite her students' tough home circumstances.

Expertise in the Unit K: Coordinator of plans of attack

Tactics are her strong point. A well-prepared operation means less risk for the team. Planning, tracking and organization are major strengths of the unit K.

SAM

Age: 25

Strengths: Refined, sensitive, kind-hearted

Weaknesses: Deeply damaged, internally tortured, withdrawn

Her forte: Never where you expect her to be, unpredictable

Her combat training: Brazilian Ju-jitsu, or the art of swiftly striking down an opponent

Secret Identity: High Fashion model

She sometimes works as a runway model, but above all, loves to manage her model friend's careers at her agency. Due to her commitment to the unit K, she has had to refuse several fashion shows, but still dreams of one day lighting up the most beautiful runways.

Expertise in the Unit K: The art of camouflage. She only needs a few seconds to change her appearance and hide a 44 BERETTA under her form-fitting dress.

TONIE

Age: 26

Strengths: Inquisitive, persevering, intuitive.

Weaknesses: Has a tendency to feel guilty and identity problem

Her Forte: Agility, flexibility and speed, both in her actions in her decisions

Her combat training: Cappaera, a mixture of dance and Brazilian combat

Secret Identity: Dancer and Choreographer

She is "THE" choreographer to work at the moment. She choreographs, amongst other things, the shows that he boyfriend directs.

Expertise in the Unit K: Agility, flexibility and speed. She developed a deadly attacking style in which alone she has the secret. She explosively mixes combat and dance, giving her the speed of a cat. Her specialty?

To successfully take over buildings under high surveillance. Whether through the roof of a tower, in hallways filled with lasers or even in flooded underground networks, Tonie knows how to use her feminine grace to thwart any kind of security. With each infiltration, we witness a magical ballet that only she can master with this much ease.

LINZY

Age : 25

Strengths : Sensitive, generous, devoted

Weaknesses : Solitary, rigid, cynical

Her Forte: Pure power joined together with sharp observation

Her combat training: Krav-maga, A martial art intended to destroy without wasting time. All shots are allowed.

Secret Identity : Lead and background singer

With a fantastic voice, Linzy is a superb R'n'B singer. She herself dreams of being In front of the stage but her investment in the unit K prevents her from realizing her full potential. Despite this delicate position, she still studies music and continues making demos whenever her missions are completed.

Expertise in the Unit K: Computer technology, information gathering, and training.

Behind her computers hide impressive monitoring software. She's skilled in all information sources, as well as telephone tapping, false fingerprint, iris forgery, voice recognition, etc ... Her music software conceals real surveillance technology.

Her knowledge of computers is essential for the team.

JULIE

Age : 28

Strengths: Passionate, charitable, confident.

Weaknesses: Fanatic, obsessive, selfish.

Her Forte : Very persuasive, excellent negotiator

Her combat training: Aikido and control of sticks

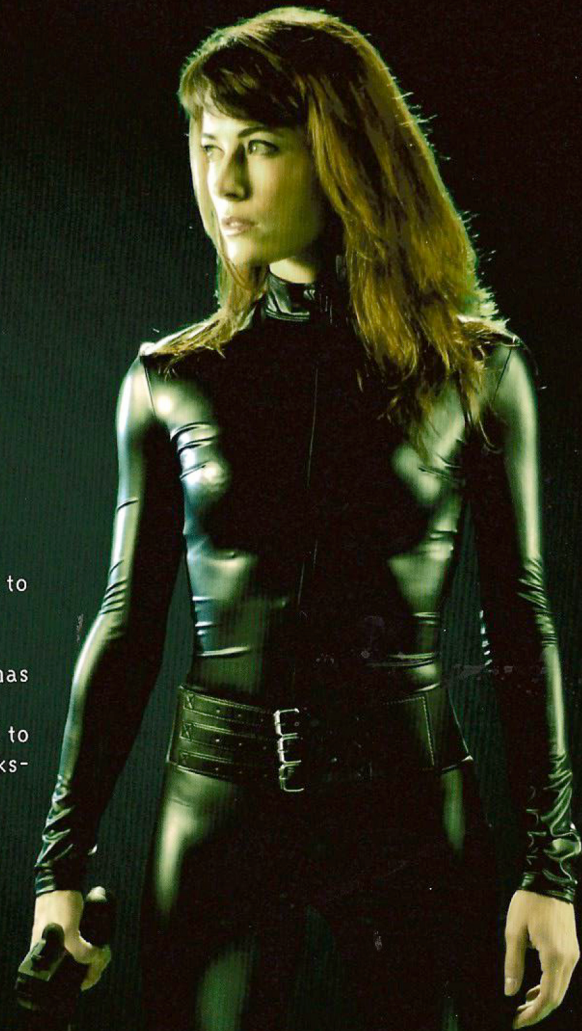

If we find ourselves lying on the ground with her, you can be sure that it's not to hear sweet words.

Secret Identity: Actress and stuntwoman

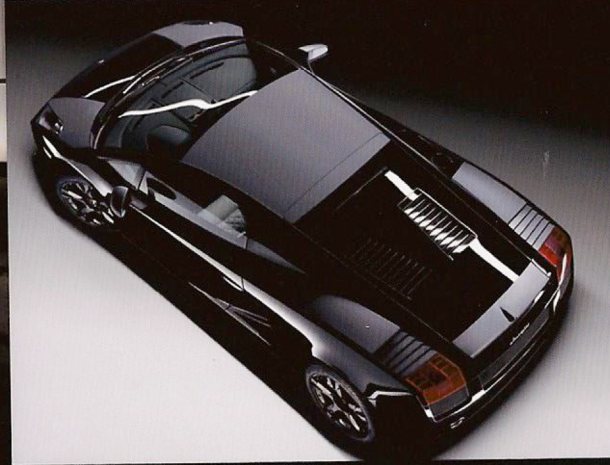

Mostly a stuntwoman and stand-in actress, she also acts in several plays and has a few small roles in B-series TV shows.

Expertise in the Unit K: She get her passion for cars from a father who she used to watch repair things when she was a child. She now has a secret preparation workshop. Her vehicles with 2 or 3 or 4 wheels are veritable jewels of technology.

Rarely does the front wheel of her motorcycle touch the ground.
